

# VACCINE DEATHS (GENOCIDE)

[Vaccine Disease](#) [Covert vaccine agendas](#) [State Genocide](#) [State Murder](#)

[[Vaccine sacrifice](#). They have known since at least the 17th century the cause and cure of [Smallpox](#) ([Sanitation](#)), yet brought in the poison known as 'smallpox vaccine' which never saved one life, just took lives in the tens of thousands every year, directly or indirectly through spreading diseases such as [Leprosy](#). Smallpox vaccine infant deaths (UK) were estimated at **25,000 in 1880, and 6,000 in 1921** ([ref](#) & [see](#)), easily proven by Leicester stats <sup>1</sup>, where they lost **2,200 less infants under 5** compared to their high vaccination years. Smallpox [case mortality](#) was also way higher due to vaccination <sup>1</sup>. Diphtheria vaccine had some notable 'disasters' <sup>1,2</sup>. Now MMR vaccine is killing more kids than measles would be doing with or without vaccination <sup>1</sup>. Vaccine deaths are always denied as '[coincidental](#)' and suppressed by being hidden under terms such as [cot death](#), [MSbP](#) & [SBS](#). See [here](#) for 40 vaccine/SIDS deaths in 2 years in one city. **Officially**, as compensated by the NVICP **over 100 children are killed every year by vaccines in the USA**. [VAERS reports](#) list **over 300** from just 4 vaccines, bearing in mind **only 1-5% of vaccine reactions are reported** <sup>1</sup>. Another revealing statistic is the USA [Infant death rate](#). Bear in mind the government says vaccines such as MMR are safe <sup>1</sup>.

You can glean how effective vaccines are at killing by the way they use them to kill off African children with [OPV vaccines](#), exposed by [Kihura Nkuba](#) recently. [Allopathy](#) has always killed more children than the diseases with vaccination (<sup>1 2 3 4</sup>) and the [suppression](#) of effective non-Allopathic medicine such as [Vitamin C](#) which would prevent all vaccine induced [cot-deaths](#) and most other child deaths, (known since 1949 <sup>1 2 3</sup>) along with [Homeopathy](#), & Naturopathy and the ignoring of [poisons](#), [nutrition/diet](#), [Disease Theory](#) & [sanitation](#) knowledge, which would **destroy vaccination.**]
